

Bring Critical Care Training to Your Institution

Featuring expert-developed learning and realistic training, the Society of Critical Care Medicine's (SCCM) hosted training opportunities are designed to meet the diverse needs of clinicians caring for critically ill and injured patients.

Training healthcare professionals for over 25 years!

Contact the SCCM Hosted Training Team at hostedtraining@sccm.org to get started.

BENEFITS INCLUDE:

Consistent training with flexible formats including in-person and online options

Dynamic presentations and interactive skill stations for a comprehensive learning experience

Specialized training to improve clinician knowledge and confidence

CE/ACE can be offered for additional value

Certificate of completion and course textbook

"FCCS was the best and most comprehensive critical care course I have ever taken. The instructors were extremely knowledgeable and experts on the topics. This course made me more confident in taking care of critically ill patients."

— Kathleen Jenkins, RN
